COLLECTION'S HISTORY

What if precious animal fibres were intermingled into the weaves? Cashmere from Mongolia alpaca from the Peruvian highlands, yak from Nepalese glaciers and wild silk from Nepal join in the dance and offer the most sumptuous qualities. These are truly unparalleled artisans, legends of their craft, who wield the sublime transparency of cashmere, the unprecedented softness of wool or the incredible quality of silk.

USEFUL WIDTH

Sold per meter width 150 cm (59")
