COLLECTION

Mulberry

COLLECTION'S HISTORY

Like marquetry, the mulberry tree rises in graphic and refined spheres. Behind these visual creations, extensive work is carried out on the mulberry pulp, which offers the craftsman these finishes only after undergoing a series of steps in his hands. It is solely once it has been tamed that he can patiently handcraft his designs and let their tones vibrate.

USEFUL WIDTH

Sold per meter, width 90 cm (35")

REMARKS

Colors can vary from each production
