COLLECTION

Pandan leaves - Linen wallcovering

COLLECTION'S HISTORY

It could be mistaken for a palm tree, but the screw pine is distincly different. This plant, prized in basketry, fuses here with linen creating unique contrasts. Under the expert hand of the master artisan who skillfully crafts them, delicate stripes appear, sometimes intermingling with silver reflections for the darker hues.

USEFUL WIDTH

Sold per meter, width 90 cm (35")

REMARKS

Colors can vary from each production
