Curtain, blind

COLLECTION'S HISTORY

With *Odyssee*, some of the world's most beautiful fires explore unparalleled know-how, taking them to new heights of refinement. The sumptuous quality of these textiles, which include silk, banana leaves, linen and yak, can be seen in the incredible lightness of the interplay of transparencies and graduated shades, in the textures of the hand-spun fibres, and in the meticulous weaves that reveal the artisan's absolute mastery at every turn.

BRAND COMMITMENTS

Our products support local crafting activities. We preserve unique know-how and help its transmission from one generation to the next. The plants offering their fibres are grown or harvested in harmony with their ecosystems.
