COLLECTION

Botanical braid wallcovering

COLLECTION'S HISTORY

An exquisite tribute to weaving, expressing the distinctive and tactile style of Japanese-inspired craftsmanship. Mats, checkered weaves and dual-material marquetry bring palm, bamboo and abaca to life in a unique way, subtly evoking shoji screens and kakemonos. Natural shades, as well as sumptuous blue and black, reveal the raw beauty of the fibres, magnified to perfection.

USEFUL WIDTH

Sold per meter, width 91 cm (36")

REMARKS

Colors can vary from each production
